9 COUNTY BEHAVIORAL HEALTH that the above-entitled action be stayed with
10 respect to all further proceedings until December 15, 2005. The parties further agree
11 that any and all Pre-trial Scheduling dates and deadlines which are currently in effect
12 be vacated, to be reset in the event it becomes necessary to reactivate this matter at the
13 time the Stay expires.

14 This case is currently stayed until September 15, 2005. This Stipulation
15 ad Order is being submitted to the district Court based on the good faith belief of the
16 parties that an additional stay is reasonable and necessary to allow the parties
17 sufficient time to resolve this matter. The parties engaged in multiple Settlement
18 Conferences before the Honorable Lawrence K. Karlton, and have signed settlement
19 agreements that call for dismissal of this case upon completion of specified
20 contingencies. Because of matters beyond the parties' control, some of the
21 contingencies have not yet all been completed and, in one instance, are being
22 renegotiated. The parties believe in good faith that there is a high likelihood this
23 matter will be resolved if provided the additional time provided by the stay of this
24 proceeding set forth above.
